ABOUT ME

I'm a passionate and detail-oriented UX Designer & IT Specialist with a solid foundation in user experience design and technical support. As a Google Certified UX Designer and Microsoft Certified IT Support Specialist, I combine creative problem-solving with strong technical skills. My experience includes designing intuitive user interfaces, troubleshooting complex IT issues, and implementing secure, efficient systems using the Microsoft 365 ecosystem. I'm driven by a commitment to improving user experiences and using technology to build impactful, meaningful solutions.
